JUNE/JULY 2020

## Take a peak!

A big thank you - 1  
Payment reminder - 1  
Vacation care highlights - 2  
Vacation care highlights - 3  
Committee member recruitment  
- 3  
July VAC program feedback - 3

## A big thank you!

A big thank you to Sarah Bardsley's parents and Vivien Wong for revamping the landscaping out the front of our centre. It was well overdue and they have done a wonderful job.

## Reminder

Regular charging of parents for childcare had recommenced on the 10th of July.

# July Vacation Care Highlights

These July school holidays we had a seriously fun time!

In the first week, we went to bowling, had a visit from Constable Care and learnt about first aid and how to treat our friends. We experienced an Amazing Race challenge at the centre and surrounding school areas. We also had a visit from Scitech and learnt so much about science!

"I liked all of it especially when I came third" - Sharlyn

"I liked how we turned the bad problems into good solutions!" - Eva

"They showed us an explosion with green food colouring" - Knox

"I liked it because we got to learn about each other" - Thomas

In the second week, we did lots of Star Wars construction with Bricks 4 Kidz. The children put their chefs hats on and made their own burritos for a lunch. We all participated in a group art project with Urban Indigenous and have proudly hung our work in the centre. We learnt how to do magic tricks and bounced & jumped the day away at Latitude.

"The part I liked was when I opened my fingers and foam stars came out" - Pedram

"I did the flower painting" - Jenny

## July Vacation Care feedback survey

We encourage parents to contribute to the feedback survey regarding our July Vacation Care program. This will help us to improve our future programs! This is available on our website under "feedback".

## Committee member recruitment!

The committee is continually looking for more members. We are particularly looking for those with a law or legal background, but this is not essential. Please approach Ji Ni, Kiara or any current committee members if you'd like to talk more.
